

Welcome to Watatunga

Watatunga is an award-winning wildlife reserve in West Norfolk. Situated amongst 170 acres of woodland, grassland and lakes, Watatunga provides a unique environment for the most varied collection of deer and antelope in the UK to roam at their will.

With principles of sustainable tourism running throughout, the team behind Watatunga are blazing a new path within the zoo and safari world, re-imagining how visitors interact with and learn about animals in captivity.

Guests love that the site is designed to prioritise the animals' welfare, and their feedback often refers to the excitement of close encounters with many animals now extinct in the wild.

Bespoke Corporate Experiences

New for 2024, Watatunga welcomes corporate teams to visit the reserve for the day, for client meetings, colleague away days and team building experiences, with a difference.

- From £50+VAT per head
- Flexible packages for corporate teams of up to 15 people
- Outdoor stretch-tent packages for teams of up to 52 people
- Bespoke packages, tailored to each client
- Wheelchair accessible

All visitors will be immersed in nature, bird-song and wildlife during a 1.5 hour guided self-drive electric buggy tour of the stunning reserve, led by an expert guide, in one of the six, four-seater buggies, including wheelchair accessible safari trailers.

Every day in the reserve is different and each experience is tailored to the season, the weather and the agenda of the organisation. In addition to the guided tour, bespoke corporate itineraries can include:

- Welcome refreshments with founders Ed and Anna in the safari stretch tent
- Use of self-drive electric buggies throughout the day
- Specialist talks and Q&As from Ed
- Exclusive use of the reserve's lake-side BBQ hut *
- Drinks and canapes served in the bird hide or by the lake *
- Three course fine-dining menu of local produce prepared on the fire *
- Workshop options, including wreathing, photography, bushcraft, foraging, bird-spotting, painting
- Homemade, traditional afternoon teas

* only available for groups up to 15 max

Getting to Watatunga

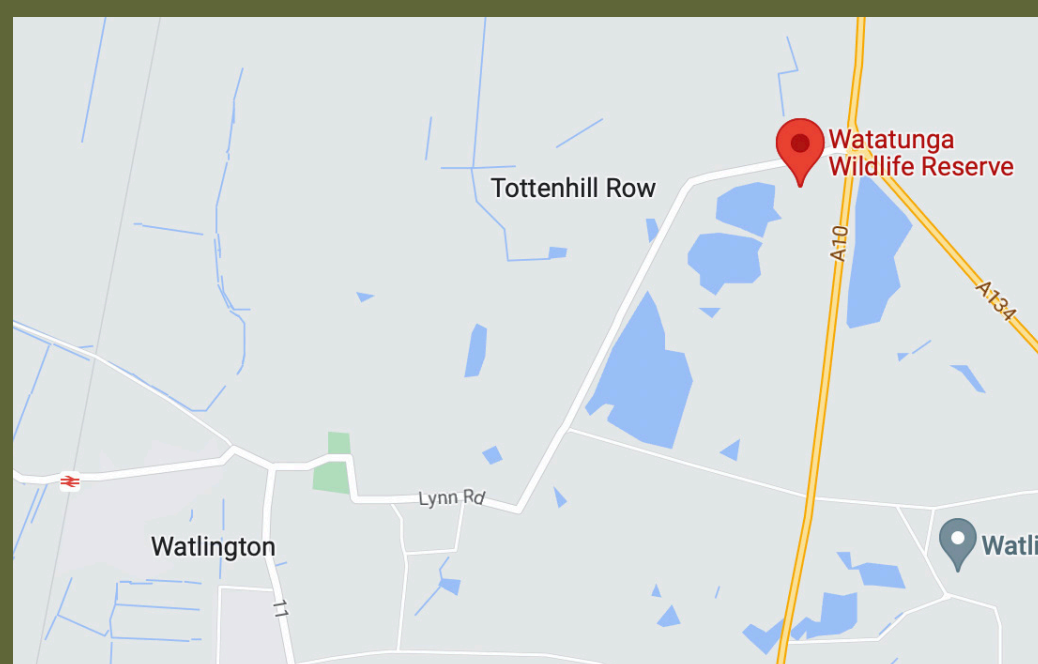

Rail From London: Watlington can be easily accessed from London, via a train taking 1 hour and 50 minutes, direct from London King Cross station to Watlington station. The reserve is a five minute taxi ride from the station.

Rail From Cambridge: Watlington station is a 50 minute train journey from Cambridge followed by a five minute taxi ride.

Road: The reserve can be easily accessed by road. The entrance to the reserve is situated just off the A10/A134 Watlington Rd roundabout, heading towards Watlington.
